Dear Mr. van Niekerk,

**RE: NAMIB MILLS LAUNCHING NAMIB BIOGAS PROJECT**

I refer to your letter dated 01 July 2020 on the above subject.

The Ministry of Mines and Energy has taken note of the Namib Mills proposed Biogas project. The Ministry is indeed pleased with the initiative and can confirm that the Government of Namibia has no objection to this project. It aligns well with the goals as contained in the National Energy and Renewable Energy Policies of Namibia.

Your project will require a generation license and your company is advised to apply to the Electricity Control Board. With regards to the Ministry of Mines and Energy's (MME) ~~logo~~, this is not possible as the MME will not be party to this project.

Yours sincerely,

OFFICE OF THE  
EXECUTIVE DIRECTOR
